sajalsaxenagola@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Computer Science graduate and Business Development Associate in Urban Company's Central SBC Quality team, combining full-stack development, SQL analytics, quality assurance, and operational problem-solving. Experienced in Tier 1 and Tier 2 escalations, root-cause analysis, SLA monitoring, compliance tracking, and data-driven process improvement. Technical skills include React.js, JavaScript, PHP, MySQL, REST APIs, and application testing, with experience contributing to AI-enabled workflows and cross-functional initiatives.

EDUCATION

Bachelor of Technology (B.Tech.) in Computer Science and Engineering 2021 – 2025
Dev Bhoomi Uttarakhand University, Dehradun

Class XII – PCM, CBSE 2019 – 2020
Children's Academy Senior Secondary School, Gola

Class X – Science, CBSE 2017 – 2018
Children's Academy Senior Secondary School, Gola

PROFESSIONAL EXPERIENCE

Urban Company *Ghitorni, New Delhi*
Business Development Associate – Central SBC Quality Team Apr 2026 – Present

- Resolve Tier 1 and Tier 2 operational bottlenecks and partner escalations through structured investigation and root-cause analysis.
- Use Jarvis analytics, SQL queries, and advanced Excel to monitor service-level agreements (SLAs), compliance metrics, and partner performance.
- Support service-cohort performance against Real-Time (RT) Attendance thresholds exceeding 80%.
- Contribute to Partner Upgrades Training and AI Handholding pilot initiatives through cross-functional coordination and process improvement.

themrgamer.com *Remote*
Web Developer | React.js, PHP 8, MySQL, cPanel Jan 2025 – Mar 2025

- Developed an online gaming platform, implemented relational database structures, and supported website reliability and maintenance.
- Implemented functional testing and API optimizations, achieving a reported 30% reduction in response latency. [Live Site]

Feynn Labs *Remote*
AI/ML Intern | Python, TensorFlow, NumPy, Pandas Aug 2024 – Oct 2024

- Developed machine learning models and automated ETL workflows; applied data preprocessing, testing, and quality checks during iterative development.

CollegeDesire *Remote*
Web Developer | React.js, PHP, MySQL, SEO Jan 2024 – Jun 2024

- Developed web application modules, optimized SQL queries, and supported technical SEO improvements associated with a reported 25% increase in organic visibility. [Live Site]

PROJECTS

Elexoplus Commerce and ERP Suite *React.js, Node.js, Express, MySQL*

- Developed a commerce ecosystem comprising a D2C Storefront (elexoplus.com) and B2B Wholesale Portal (b2b.elexoplus.com), with administrative controls, role-based access, inventory tracking, and order-management workflows.

ConnectX – Real-Time Chat and Video Calling *React.js, Node.js, Socket.io, WebRTC, MongoDB*

- Built real-time messaging and peer-to-peer video communication features and tested concurrent rooms. [Live Demo]

Plant Leaf Disease Identifier *Python, TensorFlow/Keras, OpenCV, React.js*

- Developed a CNN-based image classification application for plant leaf disease identification, reporting over 95% accuracy on the evaluated dataset. [View App]

Electricity Bill Management System *Java Swing/AWT, SQL Server, JDBC*

- Developed a desktop billing application using relational database queries, multi-table joins, and stored procedures to streamline billing operations.

TECHNICAL SKILLS

Programming Languages JavaScript (ES6+), Java, PHP, Python, HTML5, CSS3
Frameworks and Libraries React.js, Node.js, Express.js, Tailwind CSS, TensorFlow/Keras
Databases and Analytics MySQL, MongoDB, Microsoft SQL Server, DB2, SQL Queries, Jarvis Analytics, Advanced Excel
Development Tools Git, GitHub, Postman, cPanel, REST APIs, WebRTC, Socket.io
Testing and Quality Manual Testing, Functional Testing, Quality Assurance, SDLC, Root-Cause Analysis, Defect Identification
Operations and Methods Tier 1/2 Escalations, SLA Monitoring, Compliance Tracking, Process Improvement, Agile/Scrum, Cross-Functional Collaboration

CERTIFICATIONS AND ACHIEVEMENTS

- **Oracle Cloud Infrastructure 2025 Certified Generative AI Professional**
- **Python and SQL Certification – HackerRank**
- **Java Certification – Infosys and ICT Academy**
- **ESG Virtual Experience Program – Tata Consultancy Services**
- **Finalist – Lakshagriha Hackathon 1.0, DBUU**
- **NEP Saarthi – UGC-appointed initiative**
- **Flipkart GRiD 6.0 – Software Development Track Participant**
